DELCO-LIGHT was designed and built by men who were raised in farm homes—who experienced the discomforts and inconveniences of farm life—and who set out deliberately years ago to develop an electric plant that would provide city advantages for rural communities.

They were the same men whose engineering talent had made DELCO Starting, Lighting and Ignition Equipment for automobiles the standard of the world—

They knew electricity—and they knew the needs and limitations of farm life—

They knew that an electric plant to give service in a farm home must be simple, so that it would not get out of order and require complicated repairs—

It must be easily operated and require little attention—

It must be very economical in operation—

It must be built to stand hard usage and it must last indefinitely—

It required five years to develop a plant that would measure up to these specifications.

There were five years of hard engineering effort back of DELCO-LIGHT before the first plant was put on the market three and a half years ago.

Today DELCO-LIGHT is furnishing the conveniences and comforts of electricity to more than Seventy-five Thousand farm homes.

It is providing an abundance of clean, bright, economical electric light for these homes. It is furnishing power to pump water, operate washing machine, churn, separator, vacuum cleaner, electric iron, milking machine, and other small machinery.

And everywhere it is demonstrating its wonderful efficiency—and actually paying for itself in time and labor saved.

To The School Teachers of Michigan:

Lansing, Michigan, Sept. 25, 1919.

My dear Fellow Teachers:

I have been directed by the House of Representatives to have a picture of the late Colonel Theodore Roosevelt placed in all the school-rooms of Michigan.

As you know, October 27 is his birthday and I wish to suggest that this day would be a suitable occasion for the dedication of the picture. I hope that each of you will see that a picture is ready for that time. These pictures may be paid for from the general school funds. Moderator-Tenics will tell where they may be secured. Your commission also will be able to give you this information shortly.

I trust you will plan a short program in which some of the main facts of Mr. Roosevelt's life and character may be presented to the pupils and that the occasion will be used to stress the principles of patriotism and to instill in the hearts of your pupils a desire to be true Americans.

Cordially yours,
T. E. JOHNSON,
Superintendent of Public Instruction.

To The Boys and Girls of Michigan:

Lansing, Michigan, Sept. 25, 1919.

October 27 is the birthday of the late Colonel Theodore Roosevelt. Colonel Roosevelt, for nearly eight years our president, was, during the greater part of his life-time, our most valued public leader. He was known as the "typical American". He was fearless in his advocacy of what he believed to be right and in his attack upon that which he held to be wrong. His courage, his integrity, and his tireless energy made him our most popular national hero. Probably nothing expressed his philosophy of life more clearly than this quotation, "In short, in life, as in a football game the principle to follow is: Hit the line hard; don't foul, don't shirk, but hit the line hard!"

His picture will be dedicated on his birthday and if, as you look at the likeness of that strong, energetic face, you will vow that you will be good Americans, live clean, strong, true lives and that you will fight the battle for purity and honesty in public life as he fought it, I believe you will please him more than you could in any other way.

Cordially yours,
T. E. JOHNSON,
Superintendent of Public Instruction.

MICHIGAN'S TRIBUTE TO COL. ROOSEVELT

On Jan. 15, 1919, the Senate and House of Representatives of Michigan, met in joint convention in Representative Hall, Lansing, to do honor to the memory of Theodore Roosevelt. Following the delivery of eulogies by various members of these bodies resolutions were unanimously adopted paying tribute to his memory. After referring to the great sorrow caused by the Colonel's death the resolutions read:

"Whereas, Colonel Roosevelt's long public career and private life were marked by a refreshing courage, prophetic vision, an inspiring devotion to principle, reinforced by a dynamic personality, a pure heart and an active mind and body, all of which he combined to elevate the standards of our political morals and in more recent years, to strengthen and stabilize the ideals that recreated our national spirit from almost indifference to one hundred per cent Americanism; and

"Whereas, His voice and acts have done so much to promote and stimulate the youth of this and future generations along the pathway of clean living, square dealing, respect for authority, intellectual development, physical upkeep, military training, religious tolerance and devotion to the flag; and

"Whereas, All Michigan has a proper sense of the great constructive service Colonel Roosevelt has given to mankind as a public servant and as our nation's most distinguished private citizen, and having desire to give expression to this common feeling of appreciation of a great and honorable name; therefore be it

"Resolved, By the legislature, acting for the citizens of Michigan, in joint convention assembled, to pay tribute to the memory of our beloved ex-president, that these resolutions be spread upon the journals of the Senate and House of Representatives, and the same be suitably engrossed, duly authenticated and forwarded to Colonel Roosevelt's family at Oyster Bay.

Every newspaper in the state has been asked to lend its aid in setting forth the purposes of the campaign and the number of editors who have pledged their co-operation is indicative of a splendid result.

Plans are perfected for a speakers' bureau that will provide an able presentation of the memorial association's aims at every public gathering in the state between now and the end of the campaign. One hundred speakers, many of whom served as four-minute men during the war, will be available for meetings anywhere in the state on application to state headquarters.

"It is the earnest wish of everyone interested to remove absolutely all thought of partisanship from the Roosevelt Memorial Association," said Chairman King, in a discussion of campaign plans. "Theodore Roosevelt is removed from the field of partisan politics. His memory is the common heritage of all Americans."

"America would honor Roosevelt the man in order that his many qualities may be fused into the life and spirit of American youth. Undiluted honesty and square dealing, uncommon wisdom and foresight, dauntless courage and tireless energy, service and sacrifice, born of a love of America that with him amounted to a passion—it is to these qualities which one man has been able to embody, that the people of America seek to erect a permanent memorial. All citizens, regardless of party, who believe that the memory of such a man will inspire the future generations of Americans are earnestly invited to assist by their energy and their gifts."
